Selection of Students is made from applications and personal interview scores, applicants are indentured numerically, starting with the highest scoring applicant until all available openings have been filled.
INTERNATIONAL UNION OF OPERATING ENGINEERS
LOCAL 926
JOINT APPRENTICESHIP AND TRAINING CENTER

ASSIGNED APPLICATION #________ (Office Use Only)
Thank you for your interest in the International Union of Operating Engineers, Local 926 Journeymen Apprenticeship Training Program. A career as an Operating Engineer is challenging, diverse and fulfilling, both in terms of personal rewards and monetary benefits.

Before applying, we feel it is important that every applicant fully understand the requirements of the Apprenticeship Program.

The term of apprenticeship of the Program is a minimum of 8000 hours. In addition, 196 hours of classroom instruction is also required. Applicants who are selected to take part in the apprenticeship program will receive a combination of on-the-job training while assigned to employers and related field instruction by the Program’s instructors at the Training Site.

Operating Engineers in the construction industry operate, maintain and repair many types of equipment—from relatively simple pavement breakers to large cranes, which are complex and require the coordination of numerous controls. The job requires excellent eyesight, hand-eye coordination, muscular coordination and ability to perform routine repetitive work without losing concentration. At times, the work will be performed while sitting, standing, walking and climbing. As the work is performed outdoors, Operating Engineers are exposed to extremes of noise, dust, wind, rain, cold and heat.

By its very nature, working in the construction industry is seasonal. An Operating Engineer can expect to spend periods of time unemployed, particularly in the winter months.

Apprentices will be assigned to work on projects throughout Georgia, the jurisdictional area of Operating Engineers Local 926. They must be able to travel and must have reliable transportation. The Apprenticeship Program does not reimburse Apprentices for travel expenses.

Applicants should be aware that they will be required to take a pre-employment drug test and that various employers also require random drug tests.

The current average hourly rate for beginning Apprentices is approximately $14.00 per hour, plus fringe benefits. With satisfactory progress in their training, Apprentices will receive wage increases throughout the period of training.

Upon acceptance into the Apprenticeship Program, applicants will be required to join the union, Local 926 of the International Union of Operating Engineers. A union is a democratic organization chosen by a majority of the employees in a facility. The basic idea of a union is that by joining together with co-employees to form a union, workers have a greater ability through their strength in numbers to improve conditions at the worksite. In other words, “In unity there is strength.”

The primary purpose of the union is to represent workers in their employment and to negotiate a contract that improves wages, benefits and working conditions and protects workers from unfair treatment. The International Union of Operating Engineers is a progressive, diversified trade union that is dedicated to offering employment and training opportunities to workers in the construction industry.

Thank you again for your interest in applying for the Local 926 Apprenticeship Training Program. We hope that the information in this letter has provided you with a clear, comprehensive view of a challenging and exciting opportunity.
Section I: Disclosure

[International Union of Operating Engineers JATP] (the "Company") may request background information about you from a consumer reporting agency in connection with your employment application and for employment purposes. The report ordered is defined by the Fair Credit Reporting Act (FCRA) as a Consumer Report, and all inquiries are limited to information that affects job performance and the workplace. It is conducted in accordance with applicable federal and state laws including the FCRA. The screening will be conducted by an outside agency — GoodHire, LLC. — P.O. Box 391403 Omaha, NE 68139 | 1-888-906-7351 | support@goodhire.com. As a result, GoodHire may obtain a Consumer Report on you as an applicant or during employment.

A consumer report is a compilation of information that might affect your employability. The scope of the report may include information concerning your driving record, civil and criminal court records, credit, drug screening results, worker's compensation record, education, credentials, identity, past addresses, social security number, previous employment and personal references.

Should an employer rely upon a consumer report for an adverse action, the FCRA mandates you be provided with a copy of the consumer report and a summary of your rights. An adverse action is defined as "a denial of employment or any other decision for employment purposes that adversely affects any current or prospective employee."

Section II: Authorization and Release

I have carefully read and understand this Candidate Disclosure, Authorization & Consent for the Procurement of Consumer Reports form and the attached summary of rights under the Fair Credit Reporting Act. By my signature below, I consent to the release of consumer reports and investigative consumer reports prepared by a consumer reporting agency, such as GoodHire, LLC, to the Company and its designated representatives and agents. I understand that if the Company hires me, my consent will apply, and the Company may obtain reports, throughout my employment. I also understand that information contained in my job application or otherwise disclosed by me before or during my employment, if any, may be used for the purpose of obtaining consumer reports and/or investigative consumer reports. By my signature below, I authorize law enforcement agencies, learning institutions (including public and private schools and universities), information service bureaus, credit bureaus, record/data repositories, courts (federal, state and local), motor vehicle records agencies, my past or present employers, the military, and other individuals and sources to furnish any and all information on me that is requested by the consumer reporting agency. By my signature below, I certify the information I provided on this form is true and correct and will be valid for any reports that may be requested by or on behalf of the Company.

I authorize GoodHire and its agents to contact my current employer if necessary to verify my current employment status.

Applicant Name: ___________________________  Applicant Email: ___________________________

Applicant Signature: _______________________  Date: _____________________

If you are resident of, or performing jobs located in, California, Minnesota, Oklahoma, Massachusetts or New York, check this box to receive a free copy of any Consumer Report, Investigative Consumer Report or Credit Report from GoodHire electronically. For a paper copy, contact GoodHire at 1-888-906-7351 or support@goodhire.com.
UN-INDENTURED APPRENTICE
ENROLLMENT FORM

WOULD YOU BE INTERESTED IN WORKING THROUGH OUR UNION HALL FOR A SIGNATORY CONTRACTOR AS A PRE-APPRENTICE UNTIL A NEW CLASS IS FORMED?

YES _____ NO _____

IF YES, COMPLETE THE FOLLOWING INFORMATION.

NAME: ___________________________ SOCIAL SEC.#: _____________

ADDRESS: ___________________________

CITY/STATE/ZIP: ___________________________

PHONE NUMBER: (___) _____________

NOTE: By completing this form you are consenting for us to place you in the "Pool of Eligible" list. To be placed on this list applicant must have complete applications on file in this office.

Signature: ___________________________

Date: ___________________________
UN-INDENTURED TRAINING APPRENTICES STATEMENT OF UNDERSTANDING

1. I understand that I have NOT been selected as an apprentice and that I am NOT being employed as an indenture apprentice. I further understand that the hours employed will NOT apply toward apprenticeship in the even that I am selected for apprenticeship at some future date.

2. I understand that I must meet all qualifications and have a complete application on file before being placed in the “pool of eligibles” for the position of un-indentured training apprentice.

3. I understand that I am NOT promised to be selected as an indentured apprentice.

4. I understand as an un-indentured training apprentice I will be required to report for the interview regarding the apprentice program when notified.

5. I understand that I cannot work more than two thousand (2000) hours as an un-indentured apprentice, and that I may be terminated by the employer or the JATC at any time.

6. I understand that my rate of pay is based on the current Collective Bargaining Agreement that I am dispatched under.

7. I understand that I am NOT permitted to attend apprentice related training classes.

8. I acknowledge that I am NOT an indentured apprentice and must NOT be worked on Davis-Bacon Prevailing Wage Jobs.

9. I understand that I am to present my employer with a copy of this “Statement of Understanding” when reporting to work.

10. I understand that I will be required to pay $10.50 per week worked, service fees.

11. The committee agrees to be responsible for the employment of said training apprentices in the trade of Operating Engineers, if work is available. And in consideration thereof, said trainee agrees to perform diligently and faithfully the work of the trade during the period of employment in accordance with regulations of the Joint Apprenticeship and Training Committee.

12. I understand that a training apprentice will only be called for work after all indentured apprentices are employed or offered employment.

13. Contributions will be made on un-indentured apprentices to the Health and Welfare Fund while working for a participating employer, at the same rate and provisions as Journeyman operators.

14. The pre-apprentice should immediately re-register with the Union Hall, in person, at the end of each job assignment.

15. Applicants, who fail to exercise this right of registration, shall cause their application to be null & void and shall disqualify them for employment and committee interview.

LOCAL 926 HIRING HALL RULES

AS AMENDED BY THE MEMBERSHIP
JULY 15, 2016

1. Any applicant for work shall be placed on the Book I or Book II work list. No applicant will be dispatched who is not authorized for U.S. employment. All applicants must register or re-register for work in person or by phone. Applicants shall provide a qualification record. No applicant shall be referred to any employment for which he is clearly not qualified.

2. Applicants will be referred, from Book I or Book II, to jobs of which they are qualified for, in the order that they were put on the list.

3. Requirements for being placed on either Book I or Book II will be posted at the Hiring Hall.

4. An applicant who obtains a position on Book I or Book II through misrepresentation will be subject to discipline by the Executive Board.

5. Any applicant incapacitated because of illness or injury, and providing a physician’s statement will be placed on the sick/injured list. Applicants on the sick/injured list will be returned to their position on the Hiring Hall list, by providing a doctor’s written release.

6. Any applicant who accepts employment for 5 working days or less (excluding Saturdays, Sundays, and holidays) may return to his original place on the out-of-work list.

7. All Employers utilizing the Hiring Hall, have the right to call by name from Book I List, any person who may have been employed by that Employer in any area covered by this Agreement within the past 90 calendar days.

8. Any person failing a drug test or reporting to work under the influence of alcohol or drugs, shall not be placed on the out-of-work-list for a period of 30 days for the first offense, 45 days for the second offense. A third offense will be subject to discipline by the Executive Board. Any person failing a drug test will be required to provide a drug test with negative results, at their expense, before placement on the out-of-work list.

9. Applicants failing to report as referred without good cause shall be placed at the bottom of the Hiring Hall register for the first offense. A second offense will be subject to discipline by the Executive Board.

10. Three job rejections shall be cause for the applicant to be placed at the bottom of the Hiring Hall list unless good cause can be proven, such as injury, illness, or other. Failure to be available within 24 hours of a call, without good cause, will be considered a work rejection by the applicant. Each applicant shall notify their Hiring Hall of their availability for work by re-registering on the out of work list every 30 days. Applicants that do not re-register will be removed from the list.
Out of Work List

19. Yes ____ No ____ Changed washers on faucets or installed new faucets.
20. Yes ____ No ____ Painted the exterior of a house.
21. Yes ____ No ____ Taken sink pipes apart.
22. Yes ____ No ____ Worked as a construction craftsman other than operating engineer (ironworker, carpenter, etc.).
23. Yes ____ No ____ Have work experience in the construction industry.
24. Yes ____ No ____ Climbed ladder higher than two (2) stories.
25. Yes ____ No ____ Joined a labor union.
Mechanical Experience

26. Yes No Changed an air filter in a car.
27. Yes No Changed and repaired a tire.
28. Yes No Fixed a sewing machine.
29. Yes No Cared for machines, keeping them oiled and cleaned.
30. Yes No Used long handle tools, such as hoes, shovels, picks, axes.
31. Yes No Changed fuses in electrical fuse box.
32. Yes No Performed routine maintenance on tools and equipment such as cleaning, lubricating and adjusting.
33. Yes No Installed, replaced or repaired simple or complex building mechanical systems or equipment such as heating, lighting, refrigeration and plumbing.
34. Yes No Used hand held power tools such as electrical and air tools
35. Yes No Restored automotive vehicles.
36. Yes No Repaired home appliances such as refrigerator, stove, mixer.
37. Yes No Kept tools cleaned and in prime working condition.
38. Yes No Worked with small hand tools to assemble or disassemble items to make repairs.
39. Yes No Repaired farm equipment such as tractors, plows and mowers.
40. Yes No Tuckpoint a house.
41. Yes No Sawed lumber for shelves.
42. Yes No Replaced glass window pane.
43. Yes No Did minor tune-ups on cars replacing spark plugs and points.
44. Yes No Repaired or overhauled small engines such as lawn mowers or chain saws.
45. Yes No Changed fuse under dash in car.
46. Yes No Operated heavy duty power equipment such as pumps, compressors or generators.
47. Yes No Fixed and changed tail light bulb.

Driving

48. Yes No Drove a vehicle with a manual gear shift.
49. Yes No Drove a vehicle such as taxicab, messenger van or delivery truck.
50. Yes No Drove long distances occasionally requiring overnight stay.
51. Yes No Drove a commercially rated truck such as dump, cartage, ready mix.
52. Yes No Operated a bus.
53. Yes No Drove a trailer truck.

Environment/Safety

54. Yes No Worked for long periods of time seated at desk or console.
55. Yes No Worked in an area with continuous machine noise.
56. Yes No Worked under low temperature conditions where it could be uncomfortable even though appropriate clothing could be worn.
57. Yes No Worked outdoors exposed to all weather conditions such as rain, heat, cold or mud.
58. Yes No Performed work requiring to prevent falling when walking, standing or crouching on narrow, slippery or moving surfaces.
59. Yes No Worked under continuous distractions, interruptions or other disturbances.
60. Yes No Climbed and worked aloft with hand tools.
61. Yes No Frequently lifted and/or carried objects weighing 50 lbs. or more—very heavy work.
62. Yes No Worked in awkward and confining work space such as body cramped and uncomfortable.
63. Yes No Worked in continuous high temperature conditions where a person could experience severe discomfort or heat stress such as 80-90 degrees F or above.
64. Yes No Worked where noise was sufficient to cause distractions and vibration of the body such as air hammer or driving a truck on rough surface.
65. Yes No Loaded tools, materials or equipment on trucks and drove to work locations.
66. Yes No Seal coated a driveway.
67. Yes No Worked where personal safety required attention to safety procedures such as wearing a hard hat, safety glasses or special shoes.
Training

68. Yes No Successfully completed a course in machine shop practice.
69. Yes No Received certification as a hydraulic or stationary engineer.
70. Yes No Successfully completed a course in electricity.
71. Yes No Successfully completed a course in mechanics.
72. Yes No Successfully completed a course in heavy equipment operation, e.g. military or commercial.
73. Yes No Successfully completed a course in blueprint reading.
74. Yes No Successfully completed a course in hydraulics.
75. Yes No Successfully completed a course in welding.
76. Yes No Successfully completed a course in diesel mechanics.
77. Yes No Successfully completed a course in vocational shop.

Machine

78. Yes No Manually controlled or guided materials being processed such as sewing machine, jig saw, etc.
79. Yes No Used manually powered tools or instruments to perform very accurate or precise operations such as engraver or watchmaker.
80. Yes No Started, stopped, controlled and adjusted the working of a machine or piece of equipment, observing gauges and turning valves to regulate operations.
81. Yes No Operated automatic machinery.
82. Yes No Operated machinery in a shop such as saw, lathe, punch press.

Data

83. Yes No Prepared and maintained statistical records and reports requiring use of math to make calculations.
84. Yes No Worked from complex schematic drawings such as blueprints and circuit diagrams to determine work to be performed and proper sequence of tasks.
85. Yes No Used drafting equipment and materials.
86. Yes No Estimated time required to get a job done.
87. Yes No Interpreted a variety of technical instruction and/or materials in books, manuals, catalogs or texts.
88. Yes No Took readings of registers, meters and similar recording equipment.
89. Yes No Wrote instructions and specifications concerning proper use of equipment, tools and machinery.
90. Yes No Read and worked with work orders, equipment records and related forms.
91. Yes No Prepared service orders and other forms specifying work that needed to be done.

Math

92. Yes No Used arithmetic to add, subtract, multiply and divide.
93. Yes No Made arithmetic calculations involving fractions, decimals, percentages and proportions.
94. Yes No Performed algebraic and geometric procedures in standard practical applications.
95. Yes No Estimated the quantity of objects without direct measurements including size, weight, volume, length and thickness.

People

96. Yes No Communicated with others by phone to relay or receive any type of information quickly and accurately.
97. Yes No Gave and/or received information of non-routine nature.
98. Yes No Made arrangements for delivery and installation of services or products so that time schedule is satisfactory to company and customers.
99. Yes No Dealt with others to reach agreement or solution.
100. Yes No Worked with individuals or groups in unpleasant or strained situations.
101. Yes No Worked in situations where attempts to deal with problems or achieve job objectives were disrupted or blocked.
102. Yes No Worked individually with no conversation to complete task.
Time

103. Yes  No  Took training or worked away from home overnight on temporary assignment.
104. Yes  No  Regularly met urgent time pressures and deadlines such as rush jobs, etc.
105. Yes  No  Worked changing shifts.
106. Yes  No  Worked irregular hours.
107. Yes  No  Worked evenings, night shift, overtime or
108. Yes  No  Worked part-time while going to school such as newspaper route or fast food restaurants, weekends on a fairly routine basis.

Supervision

109. Yes  No  Paid attention to machine or equipment to see that it was running properly.
110. Yes  No  Received and followed work assignments from others.
111. Yes  No  Gave careful attention to various details making sure nothing was left undone.
112. Yes  No  Worked where some leeway in procedures and methods used to get the job done was allowed.
113. Yes  No  Worked independently with minimum of supervision.
114. Yes  No  Did work where you need to find out what the problem really was or what directions needed to be pursued in dealing with it.

115. Yes  No  Worked where product or service was specified but you have complete freedom to work out your own ways of getting the job done such as selection of tools, sequence of operations and obtaining important information.
116. Yes  No  Performed many routine tasks over and over everyday.
117. Yes  No  Followed specific set of procedures or routines in order to do the work right.
Return to Work Agreement

In the event an applicant/engineer tests positive for a drug/alcohol test, he/she will agree that they are not eligible for referral through the IUOE Local 926 Hiring Hall for the period of time as prescribed by the IUOE Local 926 & JATP Drug and Alcohol Policy, or until completion of a twelve (12) step rehabilitation program from a list of qualified community professional supplied by IUOE Local 926. The applicant/engineer will furnish a negative drug test at his/her own expense and agree to periodic and random drug testing, by the Union Hall or by any signatory employer that he/she may be employed with, for a period of three (3) years from the time of being returned to work.

Treatment for alcoholism and/or other drug use disorders (rehabilitation) may or may not be covered by the engineers’ benefit plan. However, the ultimate financial responsibility for recommended treatment belongs to the engineer.

A first offender that is referred to a job, before the penalty period is over, by way of voluntarily completion of a rehab program but then again tests positive will not have that opportunity again.

I agree to the terms and conditions set forth above to be eligible for referral through the IUOE Local 926 Hiring Hall.
